**PLEASE HELP US SECURE  
THE FUTURE  
OF OUR MUCH LOVED  
FREE MUSIC FESTIVAL**

In order to keep the festival going year on year, the team does a great deal of fundraising in order to meet the substantial costs involved in the event.

Last August, we launched our very own monthly lottery to raise much needed funds, and to help secure the long term future of the festival.

This means that from as little as £5 per month, you could not only support this great event, but you could also be in with a chance of winning a cash prize!

Every penny raised from the lottery that is not awarded in prizes goes directly in to the pot for the festival, giving us the security of a reliable and predictable revenue stream.

The monthly draw is held on the second Friday of each month as part of the open mic night, held at The Shroppe Fly.

Please consider joining our lottery and helping us to maintain this much loved event, which we hope will continue for many years to come.

**Thank you.**

The graphic for the "Mighty Oats" logo features a stylized orange wind turbine with three blades. To the right of the turbine are three horizontal lines of varying lengths, suggesting wind. Below the turbine and lines are three yellow oat leaves. The words "MIGHTY OATS" are written in a large, bold, dark blue, sans-serif font, with the graphic elements integrated around the text.

## **YOUR PRESENTERS FOR THE NIGHT ARE DAVE JOHNSON, JUSTINE COPE & SCOTT JAMES FROM BLUE SKY RADIO.**

Eyup - here we go again! How are you?

I was talking with friends in the pub the other day about this here fabulous event and mentioned writing something for the programme - in other words, the very thing you're reading right now.

Back came the response "Well, let's be honest - it's brilliant live bands and two thousand people singing, dancing and having a laugh - what's hard about that? Just tell everyone to enjoy themselves and then bog off home safely at the end!"

And that does indeed more or less sum it up! Shall I stop writing now? 😂

Mind you, a lot of hard work goes into this event each year so later on this evening, when we ask you to raise your glass and 'give us a cheer for the ASET team' you'll perhaps be so kind as to make it a good, loud one - thank you.

At Blue Sky Radio we've just celebrated our second birthday! Have you found us yet? We play 'Songs to Lift Your Day', we're all over Staffordshire and Cheshire (Woore and Market Drayton - you can come and play as well!) and we're easy to find on DAB, the Blue Sky Radio app and website or by mithering your Alexa - by the way, if it's one you've had for a while say "Alexa - enable the Blue Sky Radio skill" first time. All the best people are listening to Blue Sky Radio!

Joining me this year to host our amazing event..... (drum roll.... sausage roll.....) our new Blue Sky Radio presenter, Scott James! He's lots of fun and will do pretty well anything for a butty and a glass of fizz, so guard your picnic.

And - because one of the three of us needs to be a grown-up - we welcome back to the stage Justine Cope, who drives Staffordshire and Cheshire home every weekday evening at 6 with her fabulous 'Happy Hour'. On Fridays we sometimes swap her cup of tea for a glass of Sauvignon blanc and she goes from 'happy' to delirious in about 30 seconds.

Do come and join us down at the front - let your hair down (if you have any), go mad for our live bands and don't forget - the key word tonight is "BOOGIE!"

If you 'get down' but can't get back up again just give us a wave - we've got a block and tackle backstage.

We hope you have the BEST time with us this evening at Party On the Park and.... now, what was that last thing again? Ah yes - 'Bog off home safely at the end'!

But, before we even start to THINK about that - fill your glass, grab a friend.... and come on, Audlem - let's BOOGIE!

Dave x
