# Welcome to the 2025 Audlem Festival of Transport

This year we celebrate our 26th anniversary, hard to believe and every year this event attracts between 3,000 and 4,000 spectators.

This year's spectacular parade contains over 250 cars, commercial vehicles and motorcycles. Thank you to all the owners/drivers for joining us and congratulations on a splendid display.

In conjunction with this event the annual gathering of Historic Boats is taking place so don't miss the chance to mosey on down to the canal for an amazing display. Information of these boats is included in this programme.

A special thank you to **Mark Preece of M K Preece Excavations** who has generously sponsored this event for over 20 years

## Robin Mayne Memorial Trophy

1942 - 2009

*Awarded to the most interesting motorcycle or rider at the Audlem Festival of Transport.*

Robin was a very keen motorcyclist for over 50 years, owning an array of interesting motorcycles including MV Agusta, Manx Norton, Honda CBR 6 and many more. He sponsored the motorcycle racing team Mayneline Racing whose rider - Clive Horton - had many successful races in the UK, Europe and America.

Robin followed motorcycle circuit racing, which was to become Moto GP, all his life and participated in Motorcycle Enduro events. This trophy is awarded by his family and friends in his memory.

Each year David Basford writes a Poem about the Audlem Transport Festival.

We are delighted to feature his Poem celebrating the 2024 festival in this years programme.

Audlem Festival of Transport  
Is known both near and far  
where vintage aficionados  
Have a chance to show their car

Last year's 25th anniversary  
Was a wonderful event  
And everyone I spoke to  
was delighted that they went

Vintage truck and tractors  
and cars were on display  
hundreds of people turned out  
for a really special day

We processed down from Hankelow  
Where folk along the way  
all came out to waive and cheer  
I think it made their day

On the playing field in Audlem  
the Marshals were amazing  
to have to get us all in place  
did really take some doing

The ASET team who give their time  
really deserve a cheer  
and hopefully if all goes well  
we will be back next year

**The Shroppie Fly**
